

Robert L. Miller

Consultant

EDUCATION

Bradley University
Bachelor of Science, Civil Engineering, 1971

REGISTRATION

Structural Engineer in Illinois
Professional Engineer in Indiana, Wisconsin,
Ohio, and Michigan

EXPERIENCE

Mr. Miller started the firm in February 1984 and remains active in Sound Structures, Inc. as a consultant. He is responsible for quality control and enforcement of design and drafting standards. His 40+ years of experience are a huge asset to the firm and benefit each of the firm's major projects. His ability to look at the "big picture" is evident in the constructability and economy of his designs.
