### EXPERIENCE

Since joining the firm in February 2009, Mr. Dekker has transitioned from a design role, to management, and then to ownership. Mr. Dekker takes an active role in each of the firm's major projects. In addition to engineering, he is also responsible for the development of new business, client relations, and contract negotiations.

Mr. Dekker is an advocate for the profession and has volunteered for various roles in the Structural Engineers Association of Illinois for over 15 years. In 2015, he reached the highest position of leadership in the structural engineering community: President of the National Council of Structural Engineers Associations.
